Honourable Parliamentary Secretary,

Now that this year's edition of the Isle of MTV is behind us, I would like to express my personal thanks and compliments to you and your dedicated team for the extensive co-operation, which you so kindly extended to the Malta Tourism Authority in connection with the event.

Your professionalism, personal engagement and commitment throughout the concert were indeed reflected in the remarkable teamwork, and contributed in no small way towards its success. Both locals and visitors to Malta were greatly impressed, and had but words of praise for this remarkable and well-organised initiative.

Special thanks go to:

Dr. Denis Vella Baldacchino

All NGO's involved, namely: Malta Red Cross
Gozo Red Cross
St. John's Ambulance
St. John's Rescue Corps

for their enthusiasm and professional support.

With renewed thanks for your co-operation and best regards.

Yours sincerely,

JOSEF FORMOSA GAUCI
CHIEF EXECUTIVE
